ACADEMIC DIARIES AND TEACHERS' PLANNERS 2026-2027

We're Pirongs

The UK's favourite Academic Diary & Teacher Planner publisher.

Last year over 150,000 teachers and students planned their school year with us, with many returning year after year for their diaries and a catch up.

All of our diaries and planners are published to our own design and built to the highest standards of quality to last the academic year, in an ever-growing range of colours and designs!

Not just in the classroom...

We have a large range of customisable stationery to get you organised both at school and at home, including Life Planners, Wedding Planners and Wellness Journals!

Our Story

It's been 66 years since Sylvia and Paul Pirongs founded our family business in beautiful South Devon! Over the decades, the Pirongs name has become synonymous with functional design and high-quality stationery. We're always looking to grow and innovate, whilst staying true to the family values that have inspired us since the very beginning.
